## The ASP Kids Do It Again...

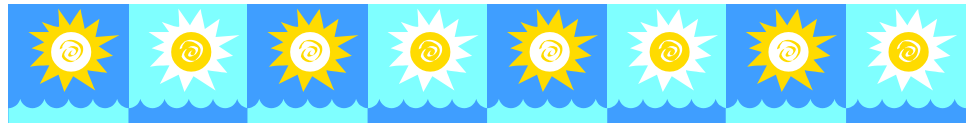

The children of our After School Program never cease to amaze me! This year we have done some great things, but I was especially impressed as I watched them selfishly create crafts and decorate cupcakes to sell at our Craft Show and Bake Sale. Their efforts paid off! We

raised **\$295** for the North Carolina Coastal Federation!! We donated the left over goodies to the American Red Cross blood drive the next day. As the parents of these kids, I'm sure you are no stranger to how great they are. Whether it be a friend or Ms. Sarah, they are always lending a helping hand.

## May Payment

April 30– May 4	\$50
May 7-11	\$50
May 14-18	\$50
May 21-25	\$50
<b>TOTAL</b>	<b>\$200</b>

## KID (S) OF THE MONTH... Gray and Hunter

Gray and Hunter are our two newest children to join ASP. Although they joined late in the year, they have each quickly become an important

part of our ASP family. Gray is always looking for ways to be helpful and does all he can to be friendly to everyone. Hunter enjoys playing with

new friends and loves to participate in all the activities we do. I am so glad that they came to join us this year and I can't imagine ASP without them!

## What's Happening in ASP this Month...

We will continue to take advantage of the shining sun and bearable temperatures by spending time outside. The year is rapidly coming to an end and May is our last full month of the school year! We will celebrate the month with May-themed activities and treats. Of course, we can't forget that Mother's Day is on May 13th! The kids will have an opportunity to create something special for Mom to show their appreciation for her. It's going to be an easy-going, fun-filled month!
