

Emerald Isle Parks & Recreation's **AFTER SCHOOL PROGRAM**

Welcome back to all returning ASP students! And a warm welcome to all *new* ASP students, we are thrilled to have you! After a wonderful summer, I am excited to start the school year with the most awesome group of kids!

CHILDREN: This year is going to be full of fun projects, yummy recipes, lots of games and sports of all kinds. We will become more involved in our community and learn about how important our help can be to others. We will celebrate all of the silliest holidays throughout the year (the most important one being Talk Like a Pirate Day, of course). Also each week, one student will be selected to choose their favorite activity or game for us to play. Students that are selected have given a helping hand to a friend in need, showed good manners, consistency in following rules and directions, or maybe even just brightening another person's day. I cannot wait to see what kind of games everyone chooses!

Laurie Morris was thrilled to find out that her husband's job would be taking them to the coast! With a teaching degree under her belt from East Carolina University, she was ready to find the perfect job at the beach. It came in the form of 'Director of the After School Program and Summer Day Camp' at the Town of Emerald Isle. She couldn't ask for a better fit! In her free time, Laurie enjoys flexing her artistic muscles, going for walks with her dog, and throwing Frisbee in her front yard. You can almost always find her at El Zarape on Fridays, munching on chips and salsa.

Meet Ms. Laurie

What kids love about me:
My love of anything silly
My Frisbee Throwing Skills

My willingness to participate, especially in the messy stuff!

PARENTS: Please remember to review the ASP rules with your children before the start of the school year. **Violence is not tolerated at the After School Program, and disciplinary measures (as stated in our **rules of conduct**) will be taken, if necessary. We will review this and other rules together on our first day of ASP.**

PAYMENT for August and September is due on August 25th. Payment for each month is due on the first of that month. Please ask for a receipt at the time of payment if you plan to claim for taxes, not at tax time!

Payment Calculation
