

“Let’s Make a Movie”– If you just love the idea of having your name in lights and getting the chance to be movie star, then you are going to love making a movie with Steve Myott. Campers will help create the story line and will have acting roles in the short film. Family and friends are invited to the premiere of the movie on Thursday evening. Copies of the children’s movie will be available for purchase. When you are not filming, you will have the opportunity to participate in all kinds of camp fun- movie star style.

Session 3 July 6th —July 10th
