

Community Discovery— Join us as we host our own version of Amazing Race. We'll be hustling from businesses to parks and other destinations within the community—Amazing Racin'. You'll discover why Emerald Isle really is the "Gem of the Crystal Coast". Campers will work together to create a masterpiece of art that will hang in the community center. The week will finish with a community art show of the children's artwork and a chili lunch prepared & served by the children.
