

Environmental Creativity - campers spend the week with local artist Debbie Pagliughi creating recycled works of art. Campers will also work on a larger, outdoor project each day with her. In addition to artist creation, campers will focus their efforts on greener living. For example campers will be encouraged to pack an earth friendly lunch each day; challenge will reward most earth conscious team. Tons more summer fun planned. You won't want to miss out!

Emerald Isle  *Clean and Green for the Future*

Session 7 Aug 3rd —Aug 7th
Camp is 7:30am-5:30pm

CASH ONLY for field trips!

Sneakers Mandatory Every Day!

 = Camp t-shirt  = Swimsuit  = Sunscreen
