Subject: Art Displays in the Lounge of the Emerald Isle Recreation Center

The Town of Emerald Isle is pleased to be able to provide space in the Lounge of the Parks and Recreation Building for the display of art work. This is a great opportunity to display the wide ranging talents of the many artists in the area and to add a special touch to the appearance of the room. We thank you very much for displaying your art work for the enjoyment of all that use the Community Center.

While precautions will be taken to protect materials that are exhibited/displayed in the Lounge of the Community Center, the Town of Emerald Isle, its employees and volunteers will not be responsible for any loss or damage to any exhibit/display while on Town Hall property. Any individual or representative of any group who exhibits/displays acknowledges that the individual or group will not hold the Town liable in any manner for damages or losses of any items being exhibited/displayed.

Thank you very much for sharing your work.
