Minutes**

The meeting was called to order at 3PM by Chair Wendy Megyese.

Denise Ziegler made the motion to approve the May 16, 2018 minutes. Joe Russick second. The minutes of the May 16, 2018 meeting were approved unanimously.

The Committee again discussed the size of the desired park and made the change from 1.5 acres to 1 acre for the size of the initial park with the option to expand an additional half acre in the future if needed. The exact location of the park was discussed further and Frank Rush went over the restrictions for development on the property per out agreement with the Clean Water Management Trust Fund. The Town agreed to attempt to stay 200' from Archer's creek and a minimum of 50'. The committee agreed that we should honor the 200' development restriction and place the park farther north and east of the original location. This will be presented to the Board of Commissioners at their regular monthly meeting on July 10th. Wendy will be present to present.

Various grant funding sources were discussed and Frank and Alesia will follow up and seek additional information and availability to bring back to the committee at a future meeting.

Alesia Sanderson discussed fencing options briefly and the committee requested estimates for each type of fencing considered. Alesia will provide estimates at the July 18th meeting

Meeting adjourned at 4:40PM. Next meeting date-August 15, 2018 3PM
