**Emerald Isle Dog Park Development Committee
March 20, 2019 3PM, Community Center
Minutes**

Members present: Joe Russick, Jen Temple, and Denise Ziegler and Judy Graham. Members absent: Ginger Garner, Wendy Megyese and Gus Wilgus. Staff Support- Alesia Sanderson, Director of Parks & Recreation.

The meeting was called to order at 3PM by Joe Russick.

Wendy Megyese was checking with someone she knew who had a laser engraver who may possibly be able to engrave the bricks if we purchase them locally. We will get an update at the April meeting. Joe requested that a flyer be created anyway in order to start the process of the brick fundraiser. Alesia will provide at the April meeting for discussion.

Denise discussed the art contest rules and the committee was comfortable proceeding. The rules will be reviewed by legal for approval. Upon acceptance, Alesia will get the contest advertised via the Town's website, FaceBook and Twitter pages as well as in the Island Review. Jen Temple will also provide to Carteret Community College.

The committee requested a request to add an RSVP to the meeting announcements to make sure that enough members could make the meetings in order to hold them. Alesia agreed to request that beginning with the April announcement.

Meeting adjourned at 3:50PM. Next meeting date-April 17, 2019 3PM
