

Ride/Walk/Jog The Emerald Path

The recently completed Emerald Path is a safe and scenic way to see the Town of Emerald Isle on bicycle or foot. It stretches from the eastern town line (Indian Beach) along Hwy. 58 and up Coast Guard Road to The Point at the western end of town. There are a variety of interesting and scenic stops along the way for residents' and visitors' enjoyment. Listed here are a few family friendly routes incorporating the Emerald Path and some alternate routes around the Isle that can be adjusted to desired time frames and distances. All routes start at the Emerald Isle Welcome Center (8401 Emerald Drive), but can be adjusted to your liking using the map of Emerald Isle provided by Emerald Isle Realty. We hope you enjoy the scenery, shopping, dining, or just poking around Emerald Isle!
