HEALTH INSURANCE

The Town of Emerald Isle provides health insurance for its full-time employees through Blue Cross Blue Shield of North Carolina. Website www.bcbsnc.com Coverage is effective on the 30th day of employment. The benefits are explained in the Health Insurance packet provided during enrollment. Dependent / spouse coverage can be purchased at the list premiums. The dependent coverage is deducted from the employees pay. The cost of the coverage monthly is shown below:

Employee Only.....\$0 Employee/Child.....\$193.99 Employee/Children.....\$552.01

In-network Deductible for Employee, per benefit period \$3,000 per benefit plan year

In-network Deductible for Family, per benefit period \$6,000 per benefit plan year

The employee deductible applies if you selected employee only coverage; otherwise, the family deductible applies. Note: the above deductibles apply to "in-network" BCBS health providers.

The Town's current health plan for benefit period July 1, 2016 through June 30, 2017 is the Blue Cross Blue Shield of North Carolina's Blue Options HSA, a high deductible health plan (HDHP) intended to be paired with a Health Savings Account (HSA). Your HDHP can qualify you to contribute to a HSA, unless you are not eligible under federal requirements (consult a tax advisor if you are unsure).

The Town pre-funded contribution as determined during the budget process for the benefit plan year to your Health Savings Account will be pro-rated for new employees based on date of full-time hire. Eligibility date for the establishment of your Health Savings Account is the first day of the month following 30 days of employment. You may also elect to have pre-tax payroll deductions contributed to your Health Savings Account from your pay if you so choose.

Newly hired employees, once Blue Cross Blue Shield submits enrollment information to Health Equity to establish your Health Savings Account you will receive a Welcome Kit. Please follow the instructions completely and promptly to activate and open your account in order that any Town pre-funded contributions may be deposited into your account along with any pre-tax contributions you may have elected to contribute to your HSA. (New employees - IRS Publication 969 and IRS Publication 502 are included for your information).

(Please note that children are eligible to remain on employee health plan until age 26).

Per IRS Regulations: The 2016 Annual Combined HSA Contribution Maximums are: Employee Only \$3,350, Employee plus dependent coverage \$6,650; Employees over 55 may contribute an additional \$1,000.

Remember, annual maximums as determined by the IRS are total amounts; you will need to factor in any Town contributions as well when determining your allowable maximum contribution for tax purposes. The management of the HSA and additional related funding is the responsibility of the employee. The funds deposited to your HSA will belong solely to you, not the Town. Therefore, these funds roll over from year to year and continue to be available even after employment ends.
