Proclamation
National Public Works Week
“Public Works Always There”
May 15 – 21, 2016

Whereas, public works services provided in our community are an integral part of our citizens everyday lives; and

Whereas, the support of an understanding and informed citizenry is vital to the efficient operation of public works systems and programs such as streets and highways, public buildings, storm water maintenance, solid waste collections, yard waste collections, white goods collections, and

Whereas, the health, safety and comfort of this community greatly depends on these facilities and services, and

Whereas, the quality and effectiveness of these services is vitally dependent upon the efforts and skill of our public works personnel, and

Whereas, the efficiency of the qualified and dedicated personnel who staff our public works department is materially influenced by the people’s attitude and understanding of the importance of the work they perform,

Now, Therefore, I, Eddie Barber., Mayor of Emerald Isle, do hereby recognize the week of **May 15 – 21, 2016**, as **National Public Works Week**, and call upon all citizens of Emerald Isle to acquaint themselves with the issues involved in providing our public works and to recognize the contributions which public works personnel make every day to our health, safety, comfort, and quality of life.

Proclaimed this 10th day of May, 2016

Eddie Barber., Mayor
