## RESOLUTION AUTHORIZING DISASTER-RELATED DEBRIS REMOVAL AGREEMENT WITH NORTH CAROLINA DEPARTMENT OF TRANSPORTATION

**Whereas**, the Town strives to collect all hurricane debris as quickly and efficiently as possible in the aftermath of a storm impacting Emerald Isle, and

**Whereas**, the Town enters into a pre-positioned hurricane debris removal contract each year in order to respond quickly and efficiently in the aftermath of a storm, and

**Whereas**, the North Carolina Department of Transportation (NCDOT) is technically responsible for debris removal along NC 58, and the Town is responsible for debris removal along all Town streets, and

**Whereas**, the Town strives to provide quick and equal service to all property owners in Emerald Isle, and is often much better positioned to collect debris from NC 58 in Emerald Isle in an expedient manner, and

**Whereas**, the Federal Emergency Management Agency (FEMA) allows NCDOT to enter into an agreement with municipalities for the removal of hurricane debris from NCDOT highways within the municipal jurisdiction, and enables municipalities to be reimbursed for such hurricane debris removal expenses, and

**Whereas**, the Town has historically collected hurricane debris from NC 58, and wishes to continue that practice in the future,

**Whereas**, the Town Manager is the chief administrative officer of the Town,

**Now, therefore, be it resolved** by the Board of Commissioners that the Town Manager is hereby authorized to execute a Disaster-Related Debris Removal Agreement with the North Carolina Department of Transportation for the removal of hurricane debris from NC 58 in Emerald Isle.

Adopted this the \_\_\_\_ day of \_\_\_\_\_, 2016.
