

AGENDA ITEM COVER SHEET

Meeting Date: November 8, 2016

Agenda Item #: 12

ITEM TO BE CONSIDERED

Title: Final Actions on Crew Drive Closure - Rescind Order Closing Crew Drive Between Emerald Landing Drive and Emerald Plantation Shopping Center

Brief Summary:

The Board will consider final actions associated with the Crew Drive closure that was previously approved by the Board (at the October 11 meeting). The proposed final actions effectively cancel the Board's previously adopted road closure order and result in no changes to the legal status of the ~ 510 linear ft. segment of Crew Drive between Emerald Landing Drive and Emerald Plantation Shopping Center. These actions would effectively retain the status of Crew Drive as a 60 ft. wide public street right-of-way. These actions are being considered in an effort to address the concerns expressed about the Crew Drive closure and the proposed grocery store planned for this location. Assuming Board approval of other items on the November 8 meeting agenda, the effect of these actions should enable the project to proceed and address nearly every single concern expressed at the October 11 meeting.

Suggested Motion:

Motion to rescind the Order Closing Crew Drive Between Emerald Landing Drive and Emerald Plantation Shopping Center, due to the fact that it is no longer necessary and the conditions outlined in the Order have not been met.

Motion to formally deny the request to permanently close Crew Drive.
