**RESOLUTION ACCEPTING WATER RESOURCES DEVELOPMENT GRANT -  
ARCHERS CREEK WEST STREAM RESTORATION**

**WHEREAS**, the Town of Emerald Isle desires to restore the full functionality and water flow in Archers Creek West, a primarily freshwater creek that flows for approximately 1.1 miles along Emerald Isle from Old Ferry Road to Bogue Sound near the NC 58 bridge, and

**WHEREAS**, the Town has been awarded a Water Resources Development Grant from the NC Department of Environmental Quality to remove obstructions, remove excess vegetation, and improve water flow in an effort (in conjunction with other aquatic weed management efforts) to improve water quality and the aesthetic quality of Archers Creek West, and

**WHEREAS**, the Town's efforts consist of two phases, with the first phase involving physical cleanup funded by a Water Resources Development Grant described herein, and the second phase involving additional aquatic weed management efforts coordinated through the NC Department of Environmental Quality's Aquatic Weed Control Program,

**NOW, THEREFORE, BE IT RESOLVED** by the Emerald Isle Board of Commissioners that the Town hereby accepts a Water Resources Development Grant in the amount of \$25,000 from the NC Department of Environmental Quality to remove obstructions, remove excess vegetation, and improve water flow in an effort (in conjunction with other aquatic weed management efforts) to improve water quality and the aesthetic quality of Archers Creek West.

**BE IT FURTHER RESOLVED** that The Town hereby agrees to provide a local match of \$25,000 (with \$10,000 of this amount contributed by adjacent property owners), in addition to in-kind services with a value of at least \$5,000. The Town Manager is hereby authorized to execute a grant contract with the NC Department of Environmental Quality consistent with these terms.

Adopted this the \_\_\_\_\_ day of \_\_\_\_\_, 2017.
