Title: [Special Presentation - Certificate of Appreciation - Emerald Isle Sea Turtle Protection Program](#)

**Brief Summary:**

Mayor Barber will present a Certificate of Appreciation to the volunteers of the Emerald Isle Sea Turtle Protection Program at the November 14 meeting. The many volunteers involved in this program work diligently each summer to identify, monitor, and protect sea turtle nests along Emerald Isle's 12+ miles of ocean beaches. Their significant efforts result in environmental protection benefits, enhance community cohesiveness, add to the overall desirability of Emerald Isle as a tourism and retirement destination, and bring many smiles to those involved in the program and those fortunate to observe the hatching of a sea turtle nest.
