

**AGENDA ITEM COVER SHEET**

**Meeting Date:** March 12, 2019

**Agenda Item #:** 7

**ITEM TO BE CONSIDERED**

**Title:** Presentation / Recognition of EI Police Department  
 NCLM Law Enforcement Risk Management Program

**Brief Summary:**

The Emerald Isle Police Department began its participation in the North Carolina League of Municipalities Risk Assessment Program last May and they have just recently completed the assessment. This program evaluated the Police Department's policies and practices in 40 high liability categories, and included an assessor from the NCLM Law Enforcement Risk Management Program who observed the departments operations, including interviews of officers and staff. This program concluded on February 19 with the Police Department receiving high marks in all evaluated categories with no deficiencies or recommendations noted.

Tom Anderson, NCLM Director of Risk Control / Public Safety Risk Management will present the results of the assessment and present a plaque to the Police Department and Town in recognition of the efforts in meeting national standards in all categories. Due to the successful assessment of the Police Departments policies and practices, the Town will also receive a 14% reduction in its liability insurance policy rates through the North Carolina League of Municipalities.

We are extremely proud of Police Chief Tony Reese and his excellent team of officers and staff for the successful evaluation of the Emerald Isle Police Department policies and practices.

**Suggested Motion:**

No formal action required.

**BACKGROUND**

**Originating Department / Individual:**  
 Tony Reese, Police Chief
