

# Handicap Parking

EMERALD ISLE N.C.  
Parks/Beach

Emerald Isle offers an enormous amount of entertainment and recreation for its visitors and homeowners. With more than five public parks and public beach accesses one can find plenty to do in Emerald Isle. The Town of Emerald Isle believes it is important to take every visitor and person who inhabits

this island into account. During the summer seasons, we are aware that the large crowds make getting to some places difficult. We realize that finding a parking place can be hard. We want everyone to be able to reach one of our beautiful parks and our beach. Below we have displayed a list of handicap accessible parking places. Please feel free to contact the Emerald Isle Parks and Recreation Department if you have any further questions. The contact information is listed. Thank you for being a part of Emerald Isle!
