CERTIFICATION AS TO STATUS OF LICENSURE

FOR THE GENERAL CONTRACTOR TO SIGN:

I understand that I am signing this document under oath; I certify that I am making a truthful statement. I have read G.S. Sections 87-1 and 87-14 as amended July 6, 1992, which are attached. I have entered into a construction contract where the cost of the undertaking exceeds \$30,000; the contract, whether written or oral, is in the exact nature as listed with the exact nature as listed with the North Carolina Licensing Board for General Contractors. I am not in a partnership (including any "JOINT VENTURE"){unless in compliance with 21 N.C.A.C. 12.0207} with any unlicensed entity. I certify that I am presently licensed under the name _____ and under the license number _____. My license is active and in good standing – I have filed all necessary forms with the North Carolina Licensing Board for General Contractors. I am presently not under any disciplinary order issued by the North Carolina Licensing Board for General Contractors, which disqualifies me for a building permit.

I certify to the Planning and Inspections Department that I have paid license tax(es) as required by the N.C. Department of Revenue; I have in effect all required workers' compensation insurance coverage. I have filled out the attached worksheet/affidavit regarding workers' compensation and I agree to submit certificates of insurance coverage upon request of the building inspector. I understand that a licensed general contractor must pay a \$10.00 fee upon applying for a residential permit pursuant to G.S. 87-15.5 "Homeowner's Recovery Fund" Act of North Carolina, \$10.00 which the permitting official shall forward to the North Carolina Licensing Board for General Contractors.

I understand that the unlicensed practice of general contracting is a criminal offense under G.S. 87-13 and that I may be sued by the North Carolina Licensing Board for General Contractors for an injunction if I practice without a license as required by law. I also understand that, under North Carolina case law, an unlicensed practitioner may be barred from recovery of any civil damages if the job owner refuses to pay me.

I have been informed that any authority issuing a building permit to an unlicensed contractor where a license is required may be found guilty of a misdemeanor and I certify that this department may rely on my statement as a truthful statement regarding the status of my license.
