SUBJECT: **Complete Review of Chapter 10 Definitions for simplification of the Unified Development Ordinance**

At the March meeting, we progressed rather quickly moving through more than half of the definitions. The goal for the April 23 meeting is to finish the review of Chapter 10. Please bring Chapter 10 that was included in the March agenda packet with you to this meeting. I will have copies available at the meeting for you if you forget to bring with you or you have misplaced since our last meeting. Please remember the reason for this process is to simplify and restructure the entire UDO. I look forward to our meeting on April 23, 2018.
